The figure displays a 2x6 grid of monthly calendars for the year 2019. The months are arranged in two rows: Jan, Feb, Mar, Apr in the top row, and May, Jun, Jul, Aug in the middle row, and Sept, Oct, Nov, Dec in the bottom row. Each calendar shows the days of the month in a grid format, with the day of the week (M, T, W, T, F, S, S) indicated at the top. The dates are color-coded: blue for the current month, grey for the previous or next month, and white for the current month's days.
